

## Birthday Parties

### Come celebrate your big day the Resurgo Place way!

Join us for a special birthday party program exploring Moncton's Moving History, then have your cake in the Galley (and eat it too!). Birthday parties are available **year round Saturday and Sundays from 1 p.m. to 3 p.m.**

#### Includes

- Admission to Resurgo Place for 10 party guests and 2 chaperones.
- Up to 10 additional party passes can be purchased.
- Up to 1 hour of special birthday party programming with Resurgo Place staff.
- Private room rental of The Galley.

#### Programs

**Off We Go (ages 3-5):** Kids get to build and decorate their own steering wheel and off they go on an adventure around Resurgo Place! Let's play "Can Fly, Can't Fly", build toys that spin and fall and make new discoveries as we drive around Resurgo Place.

**Salty Joe Junior (ages 4-6):** Salty Joe and his crew need your help to find a mysterious treasure hidden somewhere in Resurgo Place. Track down clues, make a craft, and find elusive objects! Once the treasure has been found enjoy the rest of your birthday celebration in the Galley.

**I Spy (ages 5-8):** Do you see what I see? Explore Resurgo Place with a game of "I Spy with My Little Eye" and your very own set of Spy gadgets. Once you've found all the items, your party can head to the Transportation and Discovery Center for free play.

**Salty Joe's Pirate-y-venture (ages 7-10):** Salty Joe's ship has been caught in a terrible storm! The sails are torn, the bell's gone missing and worst of all, the whole crew lost their eye patches. Help Salty put his ship back together, and find a special surprise for his crew!

**Earn your wings (ages 8 and up):** Have you ever wondered what it's like to be a pilot? Come find out! Explore the principles of flight and learn how airplanes really work. After some crafting and experiments, you get to fly your very first "solo" flight and Earn Your Wings!

**Salty Joe's Revenge (ages 10 and up):** It's 2016, and Salty Joe's gear is looking pretty worn out. The muskets are musty, the cannons are corroded, the rowboat is rotten, even his pirate flag is falling apart! Even worse, Salty Joe's old pirate friend Peg-Leg Pete has been making fun of Salty's old stuff. Help Salty Joe find awesome new equipment, and show everyone who the coolest pirate on the highseas really is!
